Bamboo tree

Art. Nr. G4E_00847

- The Bamboo Deluxe artificial tree is delivered ex-factory on a metal plate.
- On the metal plate are numbered pins attached.
- The bamboo sticks, which are also numbered, need to be inserted into the corresponding pins.
- The bamboo sticks are delivered in two pieces.
- It is important to ensure that the top-numbered sticks are pushed into the corresponding under numbered sticks.
- Please also ensure that the red mark on the upper and lower bamboo poles are in the same position so that the bamboo poles fit together optimally.
